Professional Summary

Front-End Developer with hands-on experience building responsive web applications using React and Next.js. Strong UI/UX background that allows me to translate designs into clean, scalable, and user-focused interfaces. Experienced in collaborating with designers and backend teams to deliver high-quality products.

Skills

Front-End Development:

- HTML5
- CSS3
- JavaScript (ES6+)
- React.js
- Next.js
- Tailwind CSS
- REST API Integration
- Responsive Design

UI/UX & Product:

- User-Centered Design
- User Flows
- Wireframing
- Prototyping
- Interaction Design
- Design Systems
- Basic Usability Testing

Soft Skills

- Problem Solving
- Communication
- Collaboration
- Attention to Detail
- Self-Learner

Tools

- Figma
- FigJam
- Adobe XD
- Miro
- Git
- GitHub
- Windsurf

Professional Experience

Software Engineer

Blue Ribbon

December 2024 – Present

- Built and maintained responsive user interfaces using React, Next.js, and Tailwind CSS.
- Translated Figma designs into reusable, pixel-accurate components.
- Improved page performance and UI consistency across multiple screens.
- Integrated REST APIs and handled dynamic data rendering.
- Collaborated with designers and backend developers in an agile environment.
- Contributed to UI design decisions, component structure, and design system alignment.
- Created wireframes and lightweight prototypes in Figma to support feature implementation.

Full Stack mentor

Kimit Innovation Technology

November 2023 - June 2025

- Mentored students in front-end development fundamentals including HTML, CSS, JavaScript, and React.
- Guided learners through building real-world projects with a focus on clean UI implementation and responsive design.
- Reviewed code, identified issues, and provided actionable feedback to improve code quality and structure.
- Explained core full-stack concepts and development workflows to help students understand end-to-end product development.
- Supported learners in problem-solving, debugging, and applying best practices in modern web development.

Education

Bachelor's in Computer Science

Shorouk Academy

S2020 - 2024

Courses

- Full Stack Development Diploma
- Google UX Design Professional Certificate
- Front-end Mastery [React & NextJS]
- Backend Mastery [In Progress]
